

# CHISNALLWOOD MUSIC THEORY CLUB 2015

Hi parents and students

Theory club runs each Friday from after school until 4.20pm.

This is a free tuition club ....the only cost is if you want to buy a workbook, which is recommended (price about \$14)

Theory work is marked and discussed; there are competitions, practice exams and computer games. We have a wide range of computer music activities for students to use. A great environment to learn music theory!

What to bring:

- \$14 for a workbook – recommended (or students can use computer software only or single age worksheets)
- Thermal mug with lid (for hot chocolate/milo)
- At least a packet of biscuits per term and help with doing dishes
- Pencil

If you would like to sit an exam, here are the costs and dates (ABRSM). We will only enter them if they have covered enough work though! Let us know if you are interested and fill in the exam form online.

Last date of entry:	13 <sup>th</sup> February	EXAM: Sat 28th March
	8 <sup>th</sup> May	EXAM: Sat 20 <sup>th</sup> June
	18 <sup>th</sup> September	EXAM: Sat 7th November

## Cost

Grade 1 \$63  
Grade 2 \$65  
Grade 3 \$67  
Grade 4 \$82  
Grade 5 \$87

You are welcome to drop in anytime and please feel free to phone or email if you have any questions. I think this is a both a fun and valuable club – excellent preparation for high school and for furthering any music!

You will get a code sheet for ClassDojo (attendance and club achievement) which you sign and bring back to school and your student will be enrolled in Theta Music (interesting online theory games). For other popular online systems, you can create your own username if you want to use them (eg. Quaver Music or NoteFlight).

We are indebted to Mrs Richie, Mrs Jones and Hannah for their assistance with the group and expertise in marking work!

Thank you for your support with this group.
